Welcome to VIM

Vivekanand Institute of Management (VIM) is the only **AICTE approved Hotel and Tourism Management institute** that is located in Ahmedabad City. The institute is established with a vision to create professionals to match up with an upsurge in requirements of the hotel & tourism industry. It is committed to provide quality education and to ensure overall development of the students as per the industry standards.

The campus is located in the middle of the city and is considered a state- of- the- art campus. It is very well connected with major brands of hotel & tourism industry.

It is well connected with state government transportations such as BRTS and AMTS. Also, it is just 7 km. away from Kalupur railway station. The nearest Airport is Sardar Vallabhbhai Patel International Airport which is just 9 km from the campus.

About Hospitality - Hotel & Tourism Industry

Hospitality is the act of kindness in welcoming and looking after the basic needs of guests, mainly in relation to food, drink, travel and accommodation. Today every economy is opening up its horizons to the next level as it continues to integrate with the world economy. Constant transformation, functional growth, increased flow of foreign currency and improving service standards have gained attention of every economy to support the idea of hospitality. This has lead to the maneuvering of variety jobs for hospitality management professionals.
